*Party on the Green is a bi-annual fundraiser for the Hartland Lakeside Education Foundation.*

*The Foundation supports a variety of exceptional programming and events throughout the Hartland Lakeside School District. Recent recipients of Foundation grants include the Peaceful Playground at Hartland North/HFALA, LIFE Magnet Community Garden at the Little Red Schoolhouse, and a 3-D Printer at Hartland South/HSCL.*

**Proceeds from our 2017 fundraising efforts will help to provide equipment for the STEAM labs at all three schools and will support grants submitted by staff and students from our district.**
